2.1.1 Deployment Options

Single People Counter using PoE Midspan

Multiple People Counters using PoE Switch

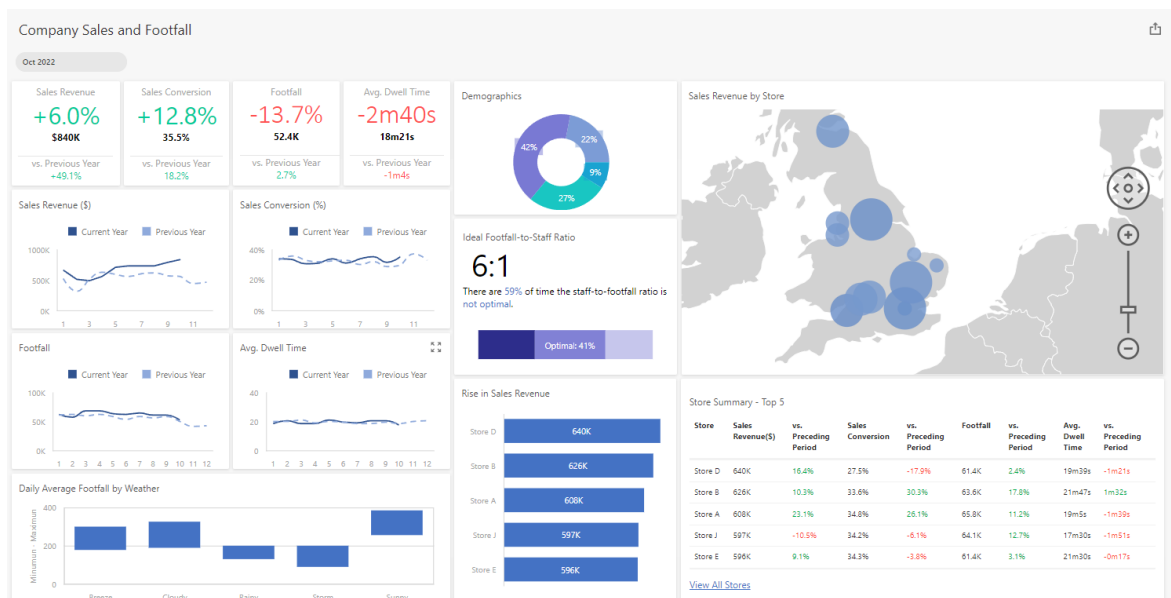

2.2 Use cases

2.2.1 Main Use Cases

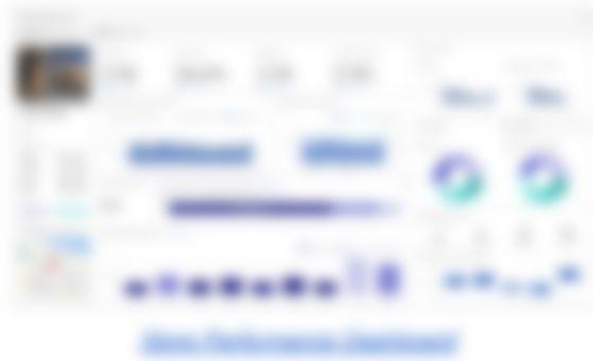

#1: Entrance Counting

- By installing FootfallCam 3D Pro2™ at the entrance(s) to the store, the number of people who enter/exit the store over a period of time can be known.
- FootfallCam Fabric Staff Tag™ can be used to exclude staff from the counting, giving a more accurate depiction of the actual number of customer visits.
- Retailers can gain valuable business insights from the people counting data provided by FootfallCam's system
- Entrance Counting - [Video](#) | High Traffic Area - [Video](#)

[Company Sales & Footfall Dashboard](#)

- Cloud-based Analytics Platform could provide an overview of multiple retail stores without logging into multiple accounts
